9. AOB
- a) Club funds are very healthy at present and it was agreed to split them into a separate account for contingencies. This would be an interest bearing account.
  - b) The fee for ground use to Craigholme is set at £250 coming from shoot profits and £400 from the club account.
  - c) The drainage problems of the field were discussed. This will be investigated by Andrew Duff
  - d) It was agreed to run smaller but more frequent beginners courses to reduce pressure on club members both on teaching and on space indoors. We could also set up a “mentoring” system after the course to help retention of new members.
  - e) Keyholding This has in the past been largely committee only but it was felt that since the committee has expanded a little there could be some extra keys cut . This will be dealt with by the new committee.
  - f) Next year will be the 60<sup>th</sup> anniversary of the club. There was discussion about ways in which we could celebrate this event. Suggestions included : mugs, keyrings, polo shirts  
We could also run a “ Diamond Anniversary” shoot
